

Open Access

Please print and submit with manuscript if either No. 1 or No. 2 (below) applies.

Please inform us of your needs related to Open or Public Access* by choosing one of the options below (initial one of 3 lines), then sign and date the form at bottom.

1. If you wish to select the Open Access option for payment, please initial here. _____

2. If you have a contract or other obligation with any institution or university which *requires* Open Access for your scientific publications, you must agree to either:
 - a) Pay the Open Access fee* noted below. If you agree to pay the fee, please initial here. _____

 - b) Obtain a formal waiver from your university/ institution from its Open Access policy. If you are enclosing a waiver with your submission, please initial here. _____

Date: _____

Author's signature: _____

Printed name: _____

Title of article: _____

***Open Access:** full text of formally published article is freely available on our website and that of the grantor, institution, or university. This requires a one-time fee of \$1,950.00.

Public Access: full text of author's last version of the article (*without* the editing done by the journal editors) is placed on the website of the grantor, institution, or university. This choice requires the usual [author \(page\) fees](#). This satisfies NIH and other U.S. Government requirements.
