

Privacy Policy Statement

This is the web site of Ammons Scientific.

Our postal address is
PO Box 9229
Missoula, Montana 59801

We can be reached via e-mail at Editors@AmmonsScientific.com
or you can reach us by telephone at 406.728.1710

Visitors to our Web page: our Web server does not automatically recognize any information regarding the domain or e-mail address. We do collect the domain name and e-mail address (where possible) of visitors to our Web pages, along with user-specific information on pages consumers access or visit. This information is used for internal review only.

Authors and reviewers are contacted only by employees of Ammons Scientific. Contact information will be disclosed only when legally required, at the request of governmental authorities conducting an investigation, to verify or enforce compliance with the policies governing our Website and applicable laws, or to protect against misuse or unauthorized use of our Website.

Cookies are used to record session information, such as items that consumers add to their shopping carts and information about what pages users access or visit.

Ad Servers: we do not partner with or have special relationships with any advertisement companies.

If you supply us with your postal address, e-mail address, or telephone number online, you will only receive contact from us with information regarding orders or submissions you have placed, or corrections of information provided. From time to time, we may use customer information for new, unanticipated uses not previously disclosed in our privacy notice. If our information practices change at some time in the future we will post the policy changes to our Web site to notify you of these changes. We will use for these new purposes only data collected from the time of the policy change forward. If you are concerned about how your information is being used, please check our Web site periodically.

Upon request we provide site visitors with access to their information as collected and maintained on our system. You may correct inaccuracies in contact information or transaction information by sending us an e-mail at the above address, or calling us at the above telephone number.

We have appropriate security measures in place in our physical facilities to protect against the loss, misuse, or alteration of information that we have collected from you at our site.

If you feel that this site is not following its stated information policy, you may contact us at the above addresses or phone number.
